BE SECURE

Treat your passwords like your toothbrush. Never share and change them often! Always sign out and log off your accounts on any device you are using.

CHECK your security settings on social media. DO NOT publish all your personal details!!

KNOW YOUR APPS

Be aware of any permission app requests as you install them. Apps can ask to access your

Many apps, both free and paid for, offer optional extras at a cost. These are known as in-app purchases. For example, you may have to make an in-app purchase to continue to play a game after a certain level, or to speed up gameplay.

Apps typically consume data which may use up more of your mobile data allowance. If you're not careful about monitoring your data usage, you could end up going over your inclusive data allowance and incurring extra charges. Most mobile providers now offer online monitoring tools or apps to allow you to check your usage easily.
